# Torbay Domestic Abuse Service (TDAS)

Domestic abuse is the physical, financial, emotional or sexual abuse of one person by another, usually within an intimate relationship or families.

With no boundaries, it occurs irrespective of class, age, race, cultural or religious background, ability or sexuality.

## How we can support you or someone you know

Whether you are thinking of leaving an abusive relationship, wishing to stay or have already ended it, TDAS can provide you with advice and support in many ways, including:

- One-to-one emotional and practical support
- Advocacy
- Refuge and safe house accommodation

- Safety planning and assessments
- Support through the criminal justice system and obtaining legal orders
- Signposting to other agencies
- Support to find long term accommodation
- Floating support
- Financial and benefits advice

Our service allows you to talk in confidence about your feelings and concerns and our specially trained and highly experienced staff provide you with advice, options and tell you about the support we can offer.
